

# PHYSICS

---

**Teacher:** Mr. Koryczan  
**Room:** B111

**Contact Information**

Science Office Central : 815-462-2361

Voice Mail: 815-462-2368

Email: [jkoryczan@lw210.org](mailto:jkoryczan@lw210.org)

---

**Required Materials:**

1. Textbook: Physics
2. 3 ring binder or notebook & folder (*Assignments can be hole punched so that you can keep all of your information in one place, this makes for easy review.*)
3. Pens (blue or black ink only please)
4. #2 Pencils and colored pencils if you like to use your own
5. LW assignment notebook
6. Calculator

**General Classroom Rules:**

1. Each student has something to contribute and each student is expected to participate. The student's primary job is to be active and engaged learners. Each student is ACCOUNTABLE for his or her actions in this classroom. ACT RESPONSIBLY around physics equipment and its contents. Each student is to respect their school, respect their teacher, and respect their classmates. Each student should get goals, aim high, and WORK HARD.
2. ALL SCHOOL RULES APPLY IN MY CLASSROOM. (*See Student/ Parent handbook*)
  - a) **No Food in classroom, including gum & candy.**
  - b) **Cell Phones, pagers, or electronic sound equipment need to be turned off and out of sight.**
  - c) **Do not write on desks, books, or walls.**
  - d) **Do not line up at the door.**
  - e) **No sleeping or head down on table.**
  - f) **No bags on table.**
3. Bring all books and materials for class everyday. This means you must have your book, notebook or 3 ring binder, and a pen or pencil, and any other material required for that given day. (Unless teacher says otherwise)
4. Must be in the room before the bell or a tardy will be given.
5. Cheating will not be tolerated in this classroom. First offense, you will receive a 0 for the homework, lab assignment, or test. Second offense you will receive a 0 again with a call home. The third offense you will receive an 'F' for the quarter.
6. Do not touch any equipment or papers in the classroom until told to do so by the teacher.
7. Working on assignments for another class is not allowed. That assignment will be taken from you and the teacher of that class will be contacted.

**Late Work:** Every assignment turned in late will receive **half credit** for one day late. **No credit** will be given for any assignment late more than one day.

- All late work must be given to me at the beginning of class or it will receive a zero.

**Grading Policy:** Grades are determined by the percentages below and grades are not rounded.

- Quarter Grades – are determined by approximately:
  - **60% tests**
  - **5% homework** -(including completion checks & accuracy), participation in classroom discussions, and bell ringers
  - **20% labs & packets** - Application of key concepts in course along with execution of skills in a team setting
  - **15% quizzes** - Weekly quizzes (typically on Friday) covering the week’s skills & concepts to gauge understanding & comprehension. Be sure to hold onto Friday quizzes! They are an excellent final exam review guide.
- Semester Grades – are determined by:
  - 40% quarter grade, 40% quarter grade, & 20% Final Exam

**Make-up Work:** It is your responsibility to contact the teacher for any missed assignments on the **day of your return**. Failure to do so will result in a zero for that assignment. You have the number of days absent plus one extra day in which to make up work.

- All make-up work must be given to me at the beginning of class or it will be considered late.
- Tests will be announced at least one week prior. If you are absent the day of a test or quiz, it is your responsibility to contact me regarding making up a test or quiz. Make-up's can be done before school, during study hall or after school.

**www.physicsclassroom.com**

**lwcpphysics.yolasite.com** – *find notes, worksheets, study guides, and answer keys.*

**Physics Students & Parents/Guardians**

. . . . .

I have read and understand the classroom requirements, rules, and grading policy. Please return this bottom portion back to Mr. Koryczan by \_\_\_\_\_ for full credit.

Student’s Name (Print): \_\_\_\_\_

Student’s signature: \_\_\_\_\_

**Answer the following statements**

	<b>Agree</b>	<b>Disagree</b>
I can maintain a positive attitude		
I can stay focused and alert during class		
I can ask questions when I am confused		
I can participate in classroom discussions and answer questions		
I can complete and turn in work from class on-time		
I can complete and look over my bellringers		
I can take good notes to help me review		
I can work well with others		
I can behave well in class		

Parent or Guardian’s Name (Print): \_\_\_\_\_

Parent or Guardian’s signature: \_\_\_\_\_
